

SME / RETAIL SALES

SME Verbal Script

For Business Renewal (TPI)

The following text is mandatory and MUST be read to all customers for all sales, contract amendments and any additional premises.

Compliance/Confirmation

My Name is [Your Name] from [TPI Name]. We are an independent intermediary appointed by ScottishPower. Please note calls are recorded for compliance and quality assurance purposes and all call recordings will be made available to ScottishPower.

In order for me to arrange the renewal of your [gas/electricity] to ScottishPower I need your authorisation that you are happy for me to act on your behalf? *(If no, do not proceed)*

Please confirm that you are authorised to select energy suppliers on behalf of your business and enter into a contract for the supply of [gas/electricity] (Await customer's response)

Can I check that you, or another authorised representative, have not already agreed a renewal contract with ScottishPower?

(ACTION – if already agreed terms, end the call – if not, continue with script)

- Please can you confirm your name, position and the full company name? Please can you confirm your contact telephone number and email address?
- Please can you confirm the full address of the properties to be supplied under this contract?

Prices

The Contract you are entering into is a fixed term agreement and will end on [contract end date]

The initial prices under the supply contract with ScottishPower will be:

The standing charge is [p/day or £s per month]

The Unit Rate Price is [£ per kWh]

The Night Rate Price is [£ per kWh]

The Evening/Weekend Rate Price is [£ per kWh]

For Business Tariff Information - MUST BE READ VERBATIM

Our For Business tariff consists of two price components. The first part is a fixed price element, the majority of which is for the energy we supply you, so you're protected from rising wholesale energy prices. The second part is variable cost component, covering industry charges each quarter such as network, social, and environmental obligations. These costs may increase or decrease throughout the tariff term. If these variable costs change, your charges will be updated accordingly every quarter on 1st January, 1st April, 1st July and 1st October until the end of your tariff, and these new charges will apply until the next quarterly update.

You can find details of the relevant non-commodity costs and the indices used to calculate the applicable rates on our website at www.scottishpower.co.uk/forbusiness

Please be advised that the prices quoted today may not be the prices applicable at the start of the contract if your start date is after the 1st January, 1st April, 1st July and 1st October

Please can you confirm that you understand that your prices may change on a quarterly basis?
(Customer must clearly say “yes”)

Please can you confirm that you understand and agree to these prices?
(Customer must clearly say “yes”)

To be read to all customers

Your contract with ScottishPower includes commission to your energy broker (also known as a Third Party Intermediary or TPI). The commission is calculated based on your estimated annual consumption of energy and the length of your contract. The estimated commission payable to the broker for this contract is [£] in total. This commission equates to [p/kwh] per unit of energy for the duration of your contract and has been factored into your proposed Direct Debit.

To be read to customers that have chosen the Renewable For Business product

With this agreement you have chosen a Renewable For Business product which is an arrangement where every unit of electricity is matched 100% with renewable energy generated by ScottishPower from our renewable sources right here in the UK. We will do this by holding Renewable Energy Guarantee of Origin (REGO) certificates to match your electricity demand.

The prices which you have just agreed will form the charges which you are required to pay to ScottishPower via [Monthly Fixed Direct Debit / Monthly Variable Direct Debit / Quarterly Variable Direct Debit] in accordance with the terms of your supply contract with ScottishPower.

Payment

Please note that the rates ScottishPower have quoted are preferential rates for choosing:

*To be read to customers who currently pay via **Monthly Fixed Direct Debit (applies to single MPAN 03/04 only)***

- a) Your Direct Debit will continue, however your fixed monthly Direct Debit payment is subject to change.

If you are choosing to pay by Monthly Fixed Direct Debit for the first time, your monthly payment amount will also take into consideration any existing debit/credit balance on your account.

*To be read to customers who currently pay via **Monthly Variable Direct Debit (applies to single MPAN 03/04 only)***

- b) You will be continue to be invoiced monthly and your payment will be variable for each month billed.

If you are choosing to pay by Variable Direct Debit for the first time, your first payment will also take into consideration any existing debit/credit balance on your account.

*To be read to customers who currently pay via **Quarterly Variable Direct Debit***

- c) You will continue to be invoiced quarterly and your payment will be variable for each quarter billed.

If you are choosing to pay by Quarterly Variable Direct Debit for the first time, your first payment will also take into consideration any existing debit/credit balance on your account.

The contract that you are entering into with your business is legally binding and will expire on **[insert date]** and you are agreeing that your business will remain a ScottishPower customer until this date. ScottishPower will contact you in advance of this date to confirm charges for future payment.

In the event that you chose an alternative supplier with a supply date before the contract end date, ScottishPower reserve the right to raise an objection to this transfer.

Can I confirm that the bank account details that we have on record for you have not changed?

(If existing bank details are requested to be amended, advise the customer that to do this they will be required to contact ScottishPower customer services when they receive their welcome pack within 10 working days from ScottishPower)

Terms & Conditions

Full terms and conditions will be sent to you within 10 working days. I do however need to go through the key terms now

1. ScottishPower uses credit reference agencies to help make decisions about providing services and credit. ScottishPower can ask for a reasonable security deposit before or during the period of the contract.

To be read only if the customer has confirmed they are a director

2. As you are a Director of the limited company, which is to be ScottishPower's customer, you, as well as the customer, shall be liable to pay any amounts due by the customer under the contract. ScottishPower may also require you to provide a personal guarantee for the equivalent of the business's previous quarter's electricity usage.

To be read to all customers

3. You can end your contract any time after the earliest Termination Date which is **[insert contract end date]**. This is the last date of the fixed term period.
4. If you wish to end the contract after the Earliest Termination Date we do not require written notice of termination. Your contract will end on the day after your current contract end date

unless you choose another contract with ScottishPower. We will write to you before the end of the Agreement to let you know what will happen after the Earliest Termination Date. Unless you choose another tariff, you will be moved to a default tariff on a suitable payment method that may be different and is subject to change, which will allow you to terminate at any time. We will provide further details of this tariff when we write to you.

Closing

Are you happy to proceed with the contract for ScottishPower to renew your
[gas/electricity]? **Customer must clearly say “yes”**

The renewal of your contract will now commence, and you should not agree another contract with another supplier as this may lead to termination fees and a delay in the renewal of your [gas/electricity] supply.

(Marketing Consent) We would like to stay in touch about services and products from ScottishPower. We will never share your details with any other company for their marketing purposes and you can optout at any time. If you would like to find out more about how we handle your personal details, please read our Privacy Information Notice which can be found at scottishpower.co.uk/privacy.

We can contact you by letter, phone, SMS text or email. Which of these ways would you like to be kept informed by?

Thank you for your time and for choosing to stay a ScottishPower customer. If you have any queries, please call ScottishPower on 0345 058 0002.
